

**FABRICS WITH STRETCH-2022**

Please note that each fabric listed below is applicable on every item that requires stretch. Fabrics not on the list below require a memo sample be sent to our High Point facility (**marked with your company name, project name and the item to which it is applied**) to make sure that the fabric is applicable to that individual item. Each standard in-line item that indicates: **“a fabric with stretch is required”** has its own individual stretch applications.

There are many other fabrics in the marketplace, other than what is listed, that can be sent for approval.
